A Dissertation on American Wines.

It is now universally conceded by even the most fanatical tectotalers that a glass of thoroughly matured and pure wine is the most wholesome, health and strength-giving beverage for mankind. Almost every State—no matter how cold its climate—produces grapes from which wine is pressed, but THE PASADENA WINES are made from those lustions SOUTHERN CALIFORNIA grapes which attain the highest grade of matucity and ripeness and are therefore the best wines in the market.
